## [Grafton Bridge #20 Replacement Project]

### Construction Update

**DATE:** Friday, December 1, 2023

**TRAFFIC IMPACT AND DURATION:** Friday, December 1, and continuing Monday, December 4 through Friday, December 8, there is potential for intermittent single-lane closures with alternating one-way traffic controlled by flaggers on Fisher Hill Road.

**CONSTRUCTION ACTIVITIES:** Crews began mobilization and work the week of November 27. Crews will continue next week, installing traffic control and erosion control devices. Next week, crews will work to install a temporary access road out to the pier in the Saxtons River.

Independent utility companies continue work to permanently relocate the aerial electrical and communications utilities within the project area. Utility relocation work is scheduled to be completed by late December 2023.

**LOCATION:** On Vermont Route 121 East in the Town of Grafton over the Saxtons River, just east of the intersection with Fisher Hill Road.

**PROJECTED COMPLETION:** Fall 2024
