## [Grafton Bridge #20 Replacement Project]

### Construction Update

**DATE:** Friday, April 26, 2024

**TRAFFIC IMPACT AND DURATION:** Travel over Bridge #20 over the Saxtons River along Vermont Route 121 in Grafton, Vt. is permanently reduced to a single lane along the southern portion of the bridge, with alternating one-way traffic controlled by traffic signals.

The traffic signals will remain in place 24 hours a day, 7 days a week, until the new bridge is constructed and opened to traffic. *Motorists are reminded to follow all traffic signals, slow down, and use caution as they travel within the work zone.*

**CONSTRUCTION ACTIVITIES:** Crews will be on-site Monday, April 29, through Friday, May 3, between 7 a.m. and 5 p.m., to continue excavation at both bridge abutments and begin formwork installation at the first bridge abutment.

The subcontractor will continue installing the drilled shaft foundation for the new bridge and begin installing the pile foundation at the second bridge abutment.

*Crews install the pile foundation at the first bridge abutment.*

**LOCATION:** On Vermont Route 121 East in the Town of Grafton over the Saxtons River, just east of the intersection with Fisher Hill Road.

**PROJECTED COMPLETION:** Fall 2024
